Stimulating development of the most needed  
formulations**

Welcome to the ILF/CIPHER Thematic Roundtable on Paediatric ARVs: Stimulating development of the most needed formulations Survey!

Please complete this anonymous survey by Friday, 11 March, to help assess the value of our work and guide further development.

The survey will take you between 5 and 10 minutes to answer. Please note that the information obtained will help us improve the programme and report on our progress; some comments might be paraphrased anonymously in the context of reporting on the ILF and CIPHER.
