

CTA/ILF/CIPHER Thematic Roundtable on Paediatric ARVs:
*Fast tracking development of
priority formulations*

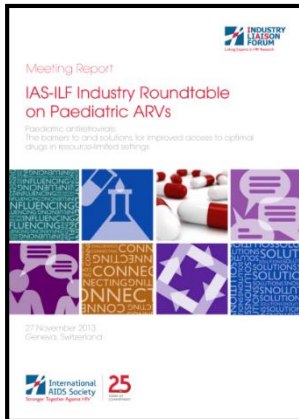

The Royal Hotel, Prince Alfred Suites
267 Anton Lembede Street, Durban, South Africa

Saturday, 16 July 2016, 18:00 – 22:00

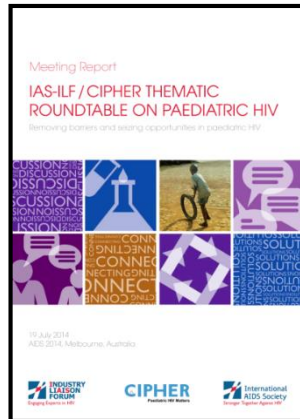

ILF/CIPHER thematic roundtable series on paediatric ARVs

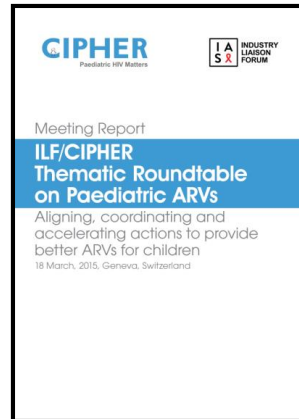

Since 2013, the IAS's ILF and CIPHER have catalysed multi-stakeholder dialogues to raise awareness of and brainstorm on approaches to address some of the key challenges around paediatric ARVs.

ILF/CIPHER thematic roundtable series on paediatric ARVs

Challenges making the most needed paediatric ARVs available

- Technical difficulties developing child-friendly formulations and performing paediatric clinical trials
- Differing definitions and product specifications
- Need for reliable market forecasts
- Difficulty including industry in the development of normative guidance
- Lack of awareness of paediatric initiatives

Today's conversation

Brainstorm on a pragmatic and innovative approach to fast track development of the most needed paediatric ARV formulations

Today's agenda

18:30 – 18:35	Welcome <i>Sébastien Morin (IAS)</i>
18:35 – 18:50	Opening remarks <i>Gottfried Hirnschall (WHO) & Linda-Gail Bekker (IAS)</i>
18:50 – 19:30	Framing the rationale for a new mechanism to fast track development of the most needed paediatric ARVs formulations <i>Martina Penazzato (WHO)</i>
19:30 – 20:00	Roundtable discussion I: Fast tracking the approval of new drugs <i>Facilitator: Linda Lewis (CHAI)</i>
20:00 – 21:00	Roundtable discussion II: Fast tracking the development of priority formulations <i>Facilitator: George Siberry (PEPFAR)</i>
21:00 – 21:45	Roundtable discussion III: Funding a global accelerator for paediatric formulations <i>Facilitator: Jennifer Cohn (EGPAF)</i>
21:45 – 22:00	Summary and closing comments <i>Greg Perry (MPP) & Marissa Vicari (IAS)</i>

Meeting participants

A diverse group representing:

- Industry
- Regulators
- Research networks
- NGOs
- UN agencies
- Philanthropies
- Donors
- Other key stakeholders involved in paediatric ARVs

A safe space for discussion

- Active participation
- Constructive feedback
- Collaborative approach

Housekeeping announcements

- **Introduce yourself (name, affiliation) before speaking**
- **Speak through the microphone**
- WebEx
 - ✓ Mute your microphone when not speaking
 - ✓ Use the “raise hand” icon in the participant panel to request permission to speak; we will call you when it is your turn
 - ✓ Alternatively, use the “chat” to send any questions or comments
 - ✓ Switch off your camera
- Please note that the meeting is recorded for reporting purposes only (no recording will be shared)
