

2018 IAS Governing Council elections

The IAS Governing Council consists of 20 elected members and three officers (the President, President-Elect, and Treasurer) plus non-voting members. The 20 members are elected by the IAS membership with four members elected from each of five geographic zones of the world by members in those regions: Africa; Asia and the Pacific Islands; Europe; Latin America and the Caribbean; and the United States and Canada. The non-voting Governing Council members are the Immediate Past President, who continues serving for two years as a non-voting member of the Governing Council at the end of his or her presidency, and the Executive Director.
