

MEMBERSHIP BENEFITS

For more information or to sign up for membership, visit www.iasociety.org/membership.

SCIENCE

Get involved in the global HIV response through the International AIDS Society (IAS)

- Receive invitations to **regional meetings and consultations** that directly translate evidence to a regional context.
- Be the first to receive the **latest news and updates** on research developments and best practices in the scientific field.
- Directly **influence the scientific agenda** for HIV and the role that the IAS should have.
- Get exclusive access to **knowledge toolkits** created for IAS Members to access and best utilize the key science and research presented at the IAS conferences.
- Receive **exceptional discounts** on top scientific journals and courses – the *Journal of the International AIDS Society* (JIAS), the journal *AIDS*, Health[e]Foundation's online courses.

PEOPLE

Connect with a diverse and engaged community

- Access the **IAS Membership Directory** to connect with other professionals in your field.
- Receive invitations to **members-only networking** events and receptions.
- Amplify your voice and your work through the **#IASONEVOICE** membership campaign.
- Promote your upcoming conferences and meetings in the **IAS Events Calendar** to a targeted group of HIV networks.
- Directly **influence the IAS leadership** and your regional representatives by participating in the IAS Governing Council elections.

PROGRESS

Jointly advance the HIV response and develop your own professional career

- Have access to **new career opportunities** through the IAS Job Vacancies in HIV database.
- Be the first to know about **educational resources** such as the Abstract Mentor Programme (AMP), the various Scholarship Programmes, and financial support opportunities to attend our conferences and meetings.
- Get exclusive opportunities to **actively participate** in IAS HIV Programmes.
- Provide **input and suggestions** on thought-leadership and influential materials to guide the HIV response.
