

AIDS 2024: Terms and conditions for delegates

Definitions

These terms and conditions for delegates are valid for every person registered as a delegate or student/postdoc/young person (hereinafter referred to as "delegate", "student /postdoc/ young person" or "data subject") for AIDS 2024, the 25th International AIDS Conference, which is planned to take place in Munich, Germany, and virtually from 22 to 26 July 2024. Pre-conferences will be held on 20 and 21 July 2024.

All references to the age of a person, mentioned in this and other conference documents, refer to the age of that person on 20 July 2024, unless otherwise specified.

All references to a date or a deadline, mentioned in this and other AIDS 2024 documents, refer to Central European Time (CET).

The organizer of AIDS 2024 is IAS – the International AIDS Society – a Swiss non-governmental organization with its principal office at Avenue de France 23, CH-1202 Geneva, Switzerland (Federal number CH-660.1.312.004-6).

Conference registration

Registration fees are published on the AIDS 2024 conference website.

Registration fees are in USD and VAT-exempt (§ 4 Nr. 22 UStG). For virtual only registration, a reverse charge mechanism may apply if the recipient is not established in Germany. The IAS is registered in Germany for VAT purposes under the tax number 09413/14976. The IAS is however established in Switzerland only and does not have a permanent establishment in Germany.

Only fully completed registration forms will be accepted. The registration will be confirmed only upon receipt of payment in full. If the full payment has not been received before the respective fee deadline, the registration will be cancelled; it will then have to be re-submitted at the fee applicable at that time. If the maximum in-person delegate capacity is reached, the IAS reserves the right to decline new in-person plus virtual registrations or requests to change from virtual registrations to in-person plus virtual registrations.

To register as a delegate, individuals must be at least 18 years old. Delegates may be asked to present an official identity card stating their age. People under the age of 18 may attend with a parent or guardian; see "Accompanying persons under the age of 18" (below) for details.

To register as students/postdocs, individuals must be at least 18 years old and present proof of full-time enrolment at a recognized university or college at both the time of registration and during AIDS 2024.

To register as a young person, an individual must be between 18 and 25 (inclusive) years old and present proof of age (official identity card stating the age or birthdate).

In-person plus virtual registration

The in-person plus virtual registration fee for delegates and students/postdocs/young persons includes:

- In-person access to all conference sessions, satellite sessions, the poster exhibition, the exhibition, the Global Village and pre-conferences
- Online access to all conference sessions, satellite sessions and pre-conferences streamed live on the virtual platform, session recordings and on-demand content, the virtual exhibition, e-posters and the virtual Global Village throughout the conference and after

If we receive the completed registration form, the payment in full and the required supporting documents (if applicable) on or before 14 May 2024, a printed pocket programme is guaranteed for in-person delegates. If we receive the completed registration form and/or the full payment and/or the required supporting documents (if applicable) after 14 May 2024 (including on-site registrations), the IAS cannot guarantee that a printed pocket programme will be available. All pocket programmes will only be distributed on site only.

Virtual registration

Virtual registration includes online access to all conference sessions, satellite sessions and pre-conference meetings streamed live on the virtual platform, session recordings and on-demand content, the virtual exhibition, e-posters and the virtual Global Village throughout the conference and after.

Accompanying persons under the age of 18

Delegates must be at least 18 years old to attend AIDS 2024 on their own.

Only a delegate who is at least 18 years old is entitled to register an accompanying person under the age of 18.

To attend the in-person conference, an individual under the age of 18 (as of 20 July 2024) must be registered as an accompanying person under the age of 18. The parent/guardian must submit and bring a copy of the completed [parent/guardian consent form](#) to AIDS 2024.

Accompanying persons under the age of 18 must be with the registered regular delegate at all times when they are in the conference venue. The regular delegate will be held responsible for all actions of the accompanying person under the age of 18. In addition, accompanying persons under the age of 18 may be asked to provide official photo identification (for example, passport) confirming their age.

This registration fee for an accompanying person under the age of 18 includes in-person access to all conference sessions, satellite sessions, the poster exhibition, the exhibition, the Global Village and pre-conferences ONLY if they accompany the regular delegate to whom their registration is attached.

Invoice/registration confirmation

We will send an invoice/registration confirmation by email once the AIDS 2024 Registration team has received the fully completed registration form, the related payment and any required supporting documents (if applicable). Delegates are requested to bring their tax invoice/registration confirmation to AIDS 2024 in order to receive their name badge on site.

Methods of payment

The registration fee must accompany all conference registrations. Payments have to be made in advance and in USD only, using a credit card or by bank transfer; no cheques are accepted. The transmitter must prepay all bank fees and money transfer costs. Clearly indicate AIDS 2024, the participant number and the delegate's last name as a reference on all bank transfers.

Registration name change

A name change fee of USD 65 will be charged for every name change to an existing registration. Please contact the AIDS 2024 Registration team to process a name change. No name changes will be accepted after 5 July 2024.

Registration format change

AIDS 2024 allows you to change your registration to virtual or in-person plus virtual as follows:

22 – 26 July · Munich, Germany, and virtual

- If there is a change from in-person plus virtual registration to virtual registration, the difference will be refunded free of charge until 14 May 2024. After this date, all refunds are subject to a USD 65 handling fee.
- If there is a change from virtual registration to in-person plus virtual registration, the difference will be charged.

Conference format change

If the IAS changes the conference format to fully virtual, all in-person plus virtual registrations will be converted to virtual registrations and the difference refunded at no extra cost to the delegate.

Cancellation and refund policy

Notification of cancellation must be made in writing and sent to the AIDS 2024 Registration team by email.

If the written notification of cancellation is received on or before 14 May 2024, 50% of the registration fee will be refunded. No refund requests will be accepted after 14 May 2024. The cancellation will not be effective until a written acknowledgement from the AIDS 2024 Registration team is received.

In the case of overpayment or double payment, refund requests (including any required supporting documents, if applicable) must be made in writing and sent to the AIDS 2024 Registration team, by email, no later than 26 July 2024. A handling fee of USD 65 will be charged. No refund requests will be accepted after 26 July 2024. The refund will not be effective until the delegate receives a written acknowledgement from the AIDS 2024 Registration team.

Refunds, if applicable, will be made in the same form as the original transaction. If the original transaction was processed by credit card, refund will be made to the same credit card used for the original transaction. If the original transaction was processed by bank transfer, refund will be made to the same bank account used for the original transaction.

Credit will not be given for unattended events or early termination of attendance.

Cancellation of AIDS 2024

If AIDS 2024 cannot be held or is postponed due to events beyond the control of the IAS (including force majeure) or due to events that are not attributable to wrongful intent or gross negligence

of the IAS, delegates cannot hold the IAS liable for any damages, costs, financial losses or any other losses incurred.

In these circumstances, the IAS reserves the right to either retain the entire registration fee and use it for a future conference or to reimburse the delegate after deducting costs already incurred for the organization of AIDS 2024 and which could not be recovered from third parties.

Modification of the programme

The IAS reserves the right to modify the programme, which is published as an indication only.

Replacement name badge

The conference name badge must be worn at all times during the in-person conference. Access to the conference venue will not be granted without a proper name badge. If a delegate loses, misplaces or does not have the name badge in their possession, a handling fee of USD 65 will be charged for a new name badge. Upon handing out a new name badge, the replaced badge will be deactivated and become invalid.

Letter of invitation

Individuals requiring an official letter of invitation from the IAS can request one through the online registration form. To receive a letter of invitation, delegates must first register for AIDS 2024, pay in full and submit any required supporting documentation (if applicable).

This letter of invitation does not place any financial obligations on the IAS. All expenses incurred in relation to conference participation are the sole responsibility of the delegate. The letter of invitation does not guarantee an entry visa for Germany.

Visa requirements

It is the sole responsibility of the delegate to comply with any [visa requirements](#). Delegates who require a visa to enter Germany must allow sufficient time for processing of the application. Delegates should contact their nearest German embassy or consulate to determine the appropriate timing of their visa applications. All visa applications should be made as early as possible and at least three months before travelling to Germany (that is, no later than the end of April 2024 for conference delegates).

Delegate registration details may be shared with the German immigration authorities to assist in the immigration process. However, the IAS and/or the AIDS 2024 Registration team will not directly contact embassies and consulates on behalf of delegates.

If the delegate applied for the visa in time (that is, at least three months before the travel date) and can show proof that the visa was not granted even though all requested documents were submitted, the delegate may request:

- Changing their in-person plus virtual registration to a virtual registration and getting the difference to their in-person and virtual registration fee refunded.
- Full reimbursement for their in-person plus virtual registration minus a handling fee of USD 65.

To request either of these options, delegates must contact the AIDS 2024 Registration team by email and provide the visa rejection letter no later than 19 July 2024. No requests will be accepted after 19 July 2024. The change to a virtual registration or refund request will not be effective until the delegate has received a written acknowledgement from the AIDS 2024 Registration team.

Data protection and sharing of contact details with third parties

The IAS will collect, process, transfer and store data subjects' personal data only for: (i) the preparation and execution of AIDS 2024; and (ii) the preparation of future IAS, AIDS and HIVR4P conferences. Data protection is warranted in accordance with the Swiss Federal Act on Data Protection (nFAPD) and the European Union General Data Protection Regulation (GDPR). Data subjects' personal data will be retained securely and accessible only on a need-to-know basis by duly authorized persons. For further information, please read the IAS data [privacy policy](#). To facilitate border entry and visa applications, data subjects' details entered in the conference account and registration form (first and last name, home address, date of birth, passport number, nationality, country of residence, gender, email and telephone) may also be shared with the German immigration authorities.

The contact details (full name, home address, participant type, email and healthcare professional status) of data subjects who have agreed to share their contact details when registering will be shared periodically with the following conference sponsors in countries where legislation might not ensure an adequate level of data protection:

- Gilead, USA

The data subjects herewith authorize the IAS to collect, process and transfer their personal data to the above-listed third parties and authorities. The data subjects further expressly acknowledge and agree that any personal data disclosed in connection with the conference account and registration form will be subject to the laws of the country where it is transferred and may not be covered by Swiss law. The IAS cannot assure the data subjects that the laws and regulations in the recipient country will necessarily offer the same level of confidentiality or data protection as under Swiss law and may require the above-listed third parties and/or authorities to whom the personal data is transferred to disclose all or any part of the personal data to other authorities or third parties.

The IAS will nevertheless contractually ensure that data subjects' personal data will be processed by the above-listed third parties to the same extent as it is authorized for itself under the nFADP and the GDPR. The IAS will also ensure that all third parties that will process data subjects' personal data have implemented appropriate technical and organizational measures to protect data subjects' personal data against accidental or unlawful destruction or accidental loss, alteration and unauthorized disclosure or access, and which provide a level of security appropriate to the risk represented by the processing and the nature of the data to be protected.

K.I.T. Group will collect and store all personal data for the preparation and execution of AIDS 2024 and will not use it for any other purposes.

During the registration process and the execution of the conference, the personal data of each data subject is processed. All personal data will be processed in accordance with the applicable data protection regulations, in particular, the GDPR and the German Federal Data Protection Act (BDSG).

Personal data will not be forwarded to a third party unless in accordance with Art. 6 Sec 1 lit a-f GDPR: (a) express consent; (b) performance or conclusion of a contract; (c) fulfilment of a legal obligation; (d) protection of vital interests of the data subject or another natural person; (e) public interest or exercise of official authority; and (f) legitimate interest of the data controller and balancing of interests.

In the course of participation in the conference, personal data may be processed by companies based in third countries outside the European Union. The data subject consents to such data

processing insofar as it is necessary for their participation and the full use of the conference services.

For further details on data processing, your rights about information and access to personal data and how to contact the data protection officer, please refer to the IAS data [privacy policy](#).
