IAS 2025: Terms and conditions for media

Definitions

These terms and conditions for media are valid for every person registered as media (hereinafter referred to as "media representative", "media" or "data subject") for IAS 2025, the 13th IAS Conference on HIV Science, which is planned to take place in Kigali, Rwanda from 13 to 17 July 2025, with pre-conferences on 13 July.

All references to the age of a person, mentioned in this and other conference documents, refer to the age of that person on 13 July 2025, unless otherwise specified.

All references to a date or a deadline, mentioned in this and other IAS 2025 documents, refer to Central European Time (CET).

The organizer of IAS 2025 is IAS – the International AIDS Society – a Swiss non-governmental organization with its principal office at Avenue de France 23, CH-1202 Geneva, Switzerland (IDE/UID: CHE-111.717.829).

Conference registration

Media representatives must register online by submitting both the fully completed media registration form and the required supporting documents. If the maximum in-person capacity is reached, the IAS reserves the right to decline new in-person plus on-demand registrations or requests to change from on-demand registrations to in-person plus on-demand registrations.

To register as media, individuals must be at least 18 years old. You may be asked to present an official identity card stating your age or birthdate.

Three categories of media registration are available. Each requires you to submit supporting documents to be considered for media accreditation.

Category 1: Journalists, photographers and videographers who are either employees of or on assignment for a recognized print, radio, broadcast or online consumer, medical, community-based or HIV service organization-sponsored media outlet. Required documents are:

- A letter from your Editor stating the purpose of your assignment at IAS 2025 (on official company letterhead). If you are a freelance journalist, please provide a letter stating the purpose of your assignment(s) and what outlet(s) you are providing coverage for.
- A copy of your current press badge/media accreditation or two recent articles with your byline (URLs or scanned copies of print pieces are accepted). Note: If original articles are not in English, please provide an English translation for review. Your byline must be clearly visible for our review.

IAS 2025

Category 2: Public-facing communications professionals attached to a recognized non-profit HIV research, advocacy or policy organization and whose work is directly related to supporting media coverage of presentations at IAS 2025. These applications will be reviewed on a case-by-case basis and cannot exceed three applications per organization. The organization will not be able to submit further applications once three applications have been submitted and approved. Required documents are:

- A letter from the Communications Director of your non-profit organization stating the purpose of your assignment at IAS 2025 (on official company letterhead). This letter must clarify that you will be attending IAS 2025 to report on the conference in your public-facing communications or media role for your organization.
- Two samples of recent public-facing work produced for your organization (this can include blog posts and social media). This work should be related to HIV or global health more broadly. Note: If original samples are not in English, please provide an English translation for review.

Category 3: In exceptional cases, the IAS will grant media access to social influencers who make significant contributions to the field. These social media influencers must be working in the field of HIV or broader public health or have strong connections with key populations and have a social following of over 50,000 on X, Facebook, Instagram, LinkedIn, TikTok or YouTube. IAS will review these applications on a case-by-case basis. Required documents are:

- A letter that briefly states what you plan to cover at IAS 2025 and includes the URL links to your social media accounts, one of which must have over 50,000 followers.
- Two samples of recent posts you have produced related to the field of HIV, broader public health or key populations. Note: If original samples are not in English, please provide an English translation for review.

Application review

Your media application will be processed only upon receipt of the fully completed registration form and verification of the requested supporting documents. To be accredited as media for IAS 2025, all required submitted media documentation must be approved by the IAS Media team. The IAS Media team will thoroughly check and verify all submitted applications.

Additional credentials may be requested before accreditation is approved. Please allow a minimum processing time of 14 working days to receive confirmation of your media registration. The IAS Media team cannot take responsibility for delays or delivery failure of supporting documentation. Your media registration will be confirmed only once we have received and approved your completed registration form and required supporting documentation. As the number of media registrations is limited, media registration is not guaranteed.

IAS 2025

In-person plus on demand registration

The in-person plus on demand registration for media includes:

- In-person access to all conference sessions, satellite sessions, pre-conferences, the poster exhibition, the exhibition and the media centre
- On-demand access to the recordings of all conference sessions, satellite sessions, pre-conferences and e-posters throughout the conference and until 19 August 2025, and to live virtual press conferences

The media representative's first name(s) and last name(s), as entered in the conference account and registration form, will be printed on the name badge. If you would like your preferred name(s) to be printed instead of these name(s), please request this change at the registered delegates desks in the registration area on site.

On demand (virtual only) registration

The on demand (virtual only) registration for media includes:

- On-demand access to the recordings of all conference sessions, satellite sessions, pre-conferences and e-posters throughout the conference and until 19 August 2025, and live virtual press conferences

Registration confirmation

There is no registration fee for accredited media.

We will email you a confirmation of registration once the IAS 2025 Registration team has received your fully completed registration form and all required supporting documents have been provided and approved.

Registration name change

A name change to an existing media registration is not possible. The granted media registration must be cancelled, and the new media representative must register and submit the required documents.

Registration format change

IAS 2025 allows you to change your registration to on-demand (virtual only) or in-person plus on demand until 6 May 2025.

Conference format change

If the IAS changes the conference format to fully virtual due to events beyond the control of the IAS, all in-person plus on demand registrations will be converted to virtual registrations.

IAS 2025

Cancellation policy

Notification of cancellation must be made in writing and sent to the IAS 2025 Registration team by email. The cancellation will not be effective until a written acknowledgement from the IAS 2025 Registration team is received.

Cancellation of IAS 2025

If IAS 2025 cannot be held or is postponed due to events beyond the control of the IAS (including force majeure) or due to events that are not attributable to wrongful intent or gross negligence of the IAS, media representatives cannot hold the IAS liable for any damages, costs, financial losses or any other losses incurred.

Modification of the programme

The IAS reserves the right to modify the programme, which is published as an indication only.

Replacement name badge

The conference name badge must be worn at all times during the in-person conference. Access to the conference venue will not be granted without a proper name badge. If a media representative loses, misplaces or does not have the name badge in their possession, a handling fee of USD 65 will be charged for a new name badge. Upon handing out a new name badge, the replaced badge will be deactivated and become invalid.

Letter of invitation

Individuals requiring an official letter of invitation from the IAS can download one through their conference account. To download a letter of invitation, media must first register for IAS 2025 and any supporting documentation required by the IAS Media team must be approved.

This letter of invitation does not place any financial obligations on the IAS. All expenses incurred in relation to conference participation are the sole responsibility of the media representative. The letter of invitation does not guarantee an entry visa for Rwanda.

Visa requirements

It is the sole responsibility of the media representative to comply with any entry and/or visa requirements. Media representatives should therefore contact their nearest Rwandan embassy or consulate to determine their entry and visa requirements.

Registration details of media representatives may be shared with Rwandan immigration authorities to assist in the immigration process. However, the IAS and/or the IAS 2025 Registration team will not directly contact embassies and consulates on behalf of media representatives.

Further information on entry and visa requirements can be found on the [IAS 2025 Immigration page](#).
